Table I: C-1B Zoning District Bulk Regulations

No new accesses are proposed with this plat. There are already existing accesses nearby off of the public streets. A five-foot wide sidewalk is proposed along the south side of NE Venture Drive. This sidewalk will be installed with individual lot development.

UTILITIES

Utilities have been extended to service the proposed plat with previous plats in the Prairie Crossing development.

Storm sewer detention will be provided for the lot at time of site plan approval.

STAFF RECOMMENDATION
