Exhibit B | WAUKEE TOWNE CENTER - PLANNED DEVELOPMENT

Waukee, Iowa

Planned Development Overlay District (PD)

Item 1 Purpose and Scope of District

- A. The subject property is located west of SE Alice's Road and south of SE Laurel Street.
- B. The proposed underlying zoning of the Property is C-1 (Community & Highway Service Commercial District). Due to the nature of the overall development as depicted in attached Exhibit F, a Planned Development Overlay (PD-1) is proposed which will address the unique aspects of the development related to use, site design, architectural design and other regulations and restrictions.

Item 2 Location, Size, Legal Description

- A. See Attached: Exhibit C – Vicinity Map
Exhibit D – Property Legal Description
Exhibit G – Final Plat
- B. The proposed development is comprised of approximately 48-acres located at the northwest corner of the intersection of SE Alice's Road and SE Laurel Street. The property is all located in Waukee, Dallas County IA.

Item 3 Conceptual Development Plan

- A. See Attached: Exhibit E – Rezoning Map
Exhibit F – Conceptual Development Plan
- B. Exhibit F represents a conceptual development plan showing proposed construction of a 300,000+ square foot commercial/retail center with associated parking and several parcels for future commercial/retail development.

Item 4 Uses of Property

- A. Permitted Uses shall be consistent with those permitted within the C-1 (Community & Highway Service Commercial District) as defined within the Waukee Zoning Ordinance with the following additions:
 - 1. Additions: In addition to the principal permitted uses as defined within the C-1 (Community & Highway Service Commercial District) regulations, the following uses shall be permitted:
 - a. An amenity/lifestyle center shall be permitted that may include features such as an amphitheater, ice skating rink, playground, artwork, etc.

Item 5 General Site Planning and Circulation, Building Design Standards, including height, materials, sections and other information required to describe the project

- A. General Site Planning and Circulation Standards shall be consistent with the standards as defined within the Site and Building Development Standards Ordinance approved and adopted by the City of Waukee with the following clarifications.
 - 1. Loading docks shall generally be located at the rear of the building and not facing SE Laurel Street or SE Alice's Road. In all cases, loading docks shall be effectively screened by the use of walls, berming/landscaping or a combination of both.
 - 2. When the site allows for it, drive-thrus associated with principle permitted uses shall be located to the rear of buildings and screened from view of public streets. Where it is determined that a drive-thru on the rear of a building is not feasible, appropriate screening such as fencing, berming and/or landscaping shall be used to limit the views of drive-thru lanes and menu boards from view of public streets.

Item 6 Bulk Regulations – Including Density Regulations, Setbacks, Maximum Heights, and other design standards specific to the Project

- A. Bulk Regulations shall be consistent with the requirements as defined within the C-1 (Community & Highway Service Commercial District) as defined within the Waukee Zoning Ordinance with the following exceptions.
 - 1. A minimum of a 100-foot rear yard setback shall be required on Lot 8 and Outlot Z, as identified in Exhibit G, when adjoining

property zoned for residential uses.

Item 7 Open Space, Landscape and Buffer Regulations

- A. Open Space, Landscaping and Buffer Regulations shall be consistent with the requirements as defined within the C-1 (Community & Highway Service Commercial District) regulations and the Landscape and Open Space Ordinance approved and adopted by the City of Waukee with the following clarifications.
 - 1. Minimum open space shall be calculated over each individual lot, except for Lot 8 and Outlot Z as identified on Exhibit G. On Lot 8 and Outlot Z open space shall be calculated over the entirety between the two lots.
 - 2. A 30-foot wide landscape buffer shall be required along all portions of Lot 8 and Outlot Z, as identified on Exhibit G, that abut an “R” (Residential) zoning district.

Item 8 Parking and Loading

- A. Parking and Loading Regulations shall be consistent with the requirements as defined within the C-1 (Community & Highway Service Commercial District) regulations and the Parking and Loading Ordinance approved and adopted by the City of Waukee with the following clarifications.
 - 1. Minimum parking requirements shall be calculated over the entire development of Lot 8 and Outlot Z, as identified in Exhibit G, rather than for each individual parcel or lot as long as there are cross parking and access agreements in place.
 - 2. Minimum parking requirements for each lot on Lot 1 – 7, as identified in Exhibit G.
 - 3. Outdoor seating areas for restaurants located within Lot 8 or Outlot Z, as identified in Exhibit G, shall be provided at a rate of 5 parking spaces per 1,000 square feet of outdoor seating area.

Item 9 Architectural Standards

- A. Architectural standards shall be consistent with the requirements as defined within the Site and Building Development Standards Ordinance approved and adopted by the City of Waukee.

Item 10 Signage

- A. All signage within the development shall comply with the sign ordinance requirements as established within the Waukee Municipal Code approved and adopted by the City of Waukee with the following exceptions and clarifications.
1. To accommodate tenants within the shopping center planned on Lot 8 and Outlot Z, as identified in Exhibit G, limited multi-tenant monument signage shall be allowed to advertise tenants of the shopping center with no direct street frontage of SE Alice's Road. Exhibit H identifies the location of these proposed sign(s):
 - a. Sign A:
 1. Maximum Height: 20 feet
 2. Maximum Width: 12 feet
 3. Maximum Sign Area: 128 square feet
 4. Minimum sign setback from property line: 15 feet
 5. Sign A shall incorporate brick or stone into the base of the sign.
 6. Businesses directly adjacent to Sign A or those that have street frontage along SE Alice's Road shall not be allowed to advertise within Sign A.
 7. Sign A shall be placed within a lot or outlot separate from the adjoining lots and shall be owned and maintained by the owner's association for the development.
 8. Multi-tenant monument signage shall incorporate the development name into said sign, but shall not be included in the square footage calculation.
 9. Artwork/branding of the development may be permitted on top of the sign. The maximum allowed height is 8-feet and the maximum width is 8-feet. No tenant of the development shall be permitted to place a commercial logo on the top of Sign A.
 - b. Sign B:
 1. Maximum Height: 15 feet
 2. Maximum Width: 12 feet
 3. Maximum Sign Area: 100 square feet
 4. Minimum sign setback from property line: 15 feet
 5. Sign C shall incorporate brick or stone into the base of the sign.

6. Businesses directly adjacent to Sign C or those that have street frontage along SE Alice's Road shall not be allowed to advertise within Sign C.
 7. Sign B shall be placed within a lot or outlot separate from the adjoining lots and shall be owned and maintained by the owner's association for the development.
 8. Multi-tenant monument signage shall incorporate the development name into said sign, but shall not be included in the square footage calculation.
 9. Artwork/branding of the development may be permitted on top of the sign. The maximum allowed height is 8-feet and the maximum width is 8-feet. No tenant of the development shall be permitted to place a commercial logo on the top of Sign B.
2. Sign C shown on Exhibit H is a proposed entry monument feature and shall comply with the following requirements:
 - a. The base of Sign C shall be made of brick, stone, or concrete.
 - b. Individual letters shall not be taller than 2-feet in height.
 - c. The overall width of the sign area shall not exceed 45-feet.
 - d. Artwork/branding of the development may be permitted on the entry monument feature. The maximum allowed height is 18-feet and the maximum width is 12-feet of any artwork.
 - e. No tenant of the development shall be permitted to place a commercial logo within Sign C.
