The assessments, together with interest, costs and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the Lot against which each assessment is made senior to all liens except a first mortgage of record and any ad valorem taxes. Each such assessment, together with interest costs, and reasonable attorney's fees, shall also be the joint and several personal obligations of each Person who was the Owner of the Lot at the time when the assessment became due. The personal obligation for delinquent assessments shall not pass to the Owner's successors in title unless expressly assumed by such successor.
2. Purpose of Assessments. The assessment levied by the Association shall be used exclusively to promote the health, safety and welfare of the residents of the Lots; for carrying out the general duties and powers of the Association, including, but not limited to, decoration, operation, management, improvement, maintenance, repair, reconstruction, restoration, replacement, removal and preservation of the Association Responsibility Elements; for payment of insurance and real estate taxes and assessments associated with the Association and the Association Responsibility Elements; and for other purposes specifically provided herein. In making such assessments, the amount to be levied shall be equal and limited to the actual cost to the Association of providing those functions and services set forth in this Declaration.
3. Maximum Regular Assessment and Notice. The Board of Directors shall establish the maximum regular assessment to be assessed against each Lot based on its classification as

Residential Homes, or Townhome, which assessment shall include a pro rata portion of the amount of real estate taxes, special assessments and insurance premiums payable by the Association. The Board of Directors may set assessments for Residential Homes and Townhomes at different rates respectively. The Board of Directors shall establish the amount of the regular assessment against each Lot at least thirty (30) days prior to January 1 of each year. Any proposed increase of more than thirty percent (30%) greater than the regular assessment levied for the previous year shall require the consent of seventy-five percent (75%) of the Members who are voting in person or by proxy at a meeting duly called for this purpose. Written notice of the regular assessment, special assessments and such other assessment notices as the Board of Directors shall deem appropriate shall be sent to every Owners subject thereto.

4. Reserve Fund. A portion of the regular assessment shall be set aside or otherwise allocated in a reserve fund for the purpose of providing repair and replacement of the Association Responsibility Elements and any capital improvements which the Association is required to maintain. Notwithstanding the foregoing, Declarant may use any reserve funds, if established, to defray operating costs as it deems appropriate. Separate Reserve Funds may be apportioned on a pro rata basis for Residential Homes and Townhomes.
5. Special Assessments for Capital Improvements and Operating Deficits. In addition to the regular assessment authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement for any Association Responsibility Element, including fixtures and personal property relate thereto which the Association is required to maintain, or for operating deficits that the Association may from time to time incur, provided that any such assessment shall have the assent of seventy-five percent (75%) of the Members who are voting in person or by proxy at a meeting duly called for this purpose. Separate Special Assessments may be assessed against Residential Homes and Townhomes respectively.
6. Uniform Rate of Assessment. Both regular and special assessments must be fixed at a uniform rate for all like Lots. Residential Homes and Townhomes may have different assessment rates respectively, based on the respective rights and responsibilities with regard to the Common Elements and Association Responsibility Elements. The relative rates of assessments shall be set at the discretion of the Board of Directors.
7. Commencement of Regular Assessments; Due Dates. The regular assessments provided for herein shall commence as to each respective Lot on the first day of the first month following the date of conveyance to an Owner of a completed Living Unit constructed on the Lot. The maintenance responsibilities of the Association as to each Lot shall commence concurrently with the commencement of regular assessments. The regular and special assessments for each Lot conveyed by Declarant to a third party shall become the obligation of the new Owner upon transfer of the Lot. The new Owner shall then begin making payments of regular and special assessments when the next regular installment is due for such Lot. The Board of Directors shall establish the due dates for all assessments. All payments shall be made on or before the due date.

8. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of 15% per annum or at the highest rate allowed by Iowa law, whichever is lower. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Lot in the manner provided for foreclosure of a mortgage, or both, and there shall be added to the amount of said assessment all costs and expenses incurred by the Association in collecting said assessments, including reasonable attorney's fees, whether or not legal action is required in connection therewith. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Association Responsibility Elements or abandonment of the Owner's Lot.
9. Declarant Exempt from Assessments. Declarant shall not be liable for regular or special assessments upon Lots owned by it. Declarant is not responsible for the establishment of a budget during the Control Period. The Association and Declarant are not required to submit statements for assessments to any Owner.
10. Subordination of Assessment Liens. The lien of assessments provided for herein shall be subordinate to the lien of any first mortgage. The assessment shall be paid prior to or at the closing of sale or transfer of any Lot. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof. Provided, however, the sale or transfer of any Lot pursuant to the foreclosure of any first mortgage on such Lots (without the necessity of joining the Association in any such foreclosure action) or any proceedings or deed in lieu thereof shall extinguish the lien of all assessments becoming due prior to the date of such sale.
11. Assessment Certificate. The Association shall, upon demand, and for a reasonable charge, furnish a certificate in a recordable form setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate from the Association regarding the status of assessments on a Lot shall be binding upon the Association as of the date of its issuance.
