C. No building shall be erected on any Lot nearer than the building setback lines as shown on the recorded plat.

All driveways shall be constructed of concrete surfacing.

No such structure shall be located closer than twenty feet (20') from any Lot line, unless the Declarant has specifically approved the structure and location. Playsets are allowed but must be either Rainbow or Backyard Adventures brand, unless otherwise approved by Declarant.

J. A dog run shall not be permitted on any Lot unless: (i) it is located at the rear of the house or garage and extends toward the rear of the Lot from that portion of the house or garage which is the closest to the rear Lot line; (ii) it is entirely enclosed with a fence in compliance with Article IV of this Declaration; and (iii) and is screened from public view with landscape plantings or hedges. Any dog house constructed on a Lot shall not exceed twenty (20) square feet in area, shall be constructed of the same material and have the same color and appearance as the residential dwelling, and shall be located in the rear yard of a Lot no closer than twenty (20) feet from any Lot line.

#### **IV. LANDSCAPING AND FENCES**

A. Within thirty (30) days of completion of the dwelling on a Lot, the Lot shall be fully sodded, except where the topography, conservancy districts, creek slopes or tree cover does not make sodding practical. If weather conditions make the time requirement for sodding impossible to comply with, Declarant shall establish a reasonable period of time for compliance.

B. Within thirty (30) days of completion of a dwelling on a Lot, a minimum of one (1) tree must be planted on the Lot having a diameter measuring at least two and one-half inches (2 ½") measured two (2) feet vertically from the ground level. C. No fences shall be permitted upon any Lot except as follows:

(1) No fence shall exceed six (6) feet in height and shall be constructed of cedar, black wrought iron, black aluminum or vinyl. The fence fabric or fence screening material shall be mounted on the exterior face of the fence posts or fence framing.

(2) No fence shall be constructed forward of the dwelling's back building line, and shall not be constructed within a drainage easement area without the prior written consent of the City.

(3) Pool fences shall be landscaped and screened with shrubs and bushes

## **V. SATELLITE DISHES, ANTENNAS, POLES**

A. Satellite dishes or parabolic devices in excess of thirty-six inches (36") in diameter used to receive television or other signals from satellites shall not be permitted. The satellite dish or parabolic device shall be mounted on the rear elevation of the dwelling or garage, or the rear half of the side elevation only. In no event shall a satellite dish or parabolic device be mounted on the front elevation or the front half of a side elevation.

B. No exterior towers or antennae of any kind shall be constructed, modified or permitted on the ground of any Lot or on any dwelling, garage or other permitted structure. All antennae shall be concealed with the attic space of the dwelling or garage.

C. No light pole shall be used or placed upon any Lot that extends more than ten feet (10') above grade, except those to light a tennis court. All light poles shall be of a residential design and shall be positioned on a Lot in a manner that will avoid direct lighting onto adjoining Lots. In no event shall a light pole be located any closer than twenty feet (20') from any property line.

## **VI. MISCELLANEOUS RESTRICTIONS**

A. No sign of any kind or description shall be placed, exposed to view or permitted to remain on any Lot or any street adjacent thereto, except: (i) street markers, traffic signs and other signs displayed by the City or other governmental units; (ii) signs which have been approved by the Declarant or its authorized agent not exceeding 144 square inches in area upon which there shall only be exhibited the street number or name, or both, of the resident; and (iii) a customary sign (one per Lot) advertising a dwelling for sale, not exceeding 1296 square inches in area. In the event that any sign, other than those described above, shall be placed or exposed to view on any of the Lots restricted hereby, the officers or agents of the Declarant are hereby given the right to enter upon those Lots and remove said signs. Real estate signs by the Declarant will be permitted until such development is completed. Declarant reserves the right to install entrance and directional signs with respect to Painted Woods South, at locations and of design determined by the Declarant, and in a manner consistent with the ordinances of the City.

B. No trash receptacles, garbage cans or recycling bins shall be permitted to be placed outside a dwelling or garage except as is necessary for regular collection.

C. Only below-ground swimming pools shall be permitted on a Lot, which shall be located in the rear yard and shall be enclosed by a fence (if required by the City and approved by the Executive Committee) or hedges. No above-ground swimming pools are allowed.

D. All utilities, including trunk and service lines for telephone, electricity and cable television, shall be constructed and located underground. No private wells or septic systems shall be permitted on any Lot.

E. The Owner of the Lot(s) on which a mailbox cluster unit is located shall be responsible for removal of snow and ice which would obstruct access to the mailbox cluster units by the mail carrier and other Owners.

F. Lot 16 shall be held, sold and conveyed together with Outlot "W." The Owner shall not build a structure of any kind on said Outlot, including fences and outbuildings, and shall be responsible

for all maintenance thereof in accordance with this Declaration, including mowing. The Owner shall not alter the grade without written approval of the City or Declarant.

## **VII. EASEMENTS**

Certain perpetual easements are reserved as shown on the recorded plat of Painted Woods South, and/or as may be granted to the City by the Declarant and filed of record in the Office of the Dallas County Recorder. Except as otherwise provided in an easement or agreement filed of record in the Office of the Dallas County Recorder, or as may be otherwise set forth herein, the owner or occupant of a Lot shall, at their own expense, keep and preserve that portion of the easement within their Lot in good repair and condition, and shall neither erect, nor permit erection of any building, structure or fences of any kind within the easement which might interfere in any way with the use of such easement.

## **VIII. SIDEWALKS**

The purchaser of a Lot shall, at the purchaser's expense, install public sidewalks in accordance with specifications of the City upon the earlier of the date the dwelling is built upon the Lot or within one year of purchase of the Lot from the Declarant.

## **IX. MAINTENANCE OF LOTS/OUTLOTS AND SURFACE WATER**

A. The owner or person in possession of each Lot, whether vacant or improved, shall keep the same well maintained, groomed and mowed, free of uncut weeds, rubbish, garbage and debris. Damaged or dead trees and shrubbery will be trimmed out or removed. Failing this, the Owner agrees that upon receipt of written notice from the Declarant to mow or cut such vegetation, trim or remove damaged trees or shrubbery, and/or remove such debris within ten (10) days, the Owner will be subject to a combination of remedies recognized at law or equity.

B. Vegetation in conservancy easements, flowage easements, creek channels, drainage ways and/or timbered areas shall not become overgrown with weeds, but may be planted in ground-cover species appropriate to the topography and land form.

C. The topography of Painted Woods South is such that surface water may flow from certain Lots onto other Lots. In regard to all matters concerning surface water, each Lot shall be subject to such easements as may exist for the flowage of surface water under the laws of the State of Iowa, as may be in effect from time to time, and all Owners shall have such rights and obligations with respect thereto as may be provided by such law.

## **ARTICLE X. EXECUTIVE COMMITTEE**

### **A. Establishment/Function**

The Declarant's Executive Committee (the "Executive Committee") is hereby established. C. Election of Replacement Committee

If the Executive Committee should be discontinued, regarding the property, Declarant shall designate a successor entity to carry out the duties of the Executive Committee, but only with respect to the property described in this Declaration.

D. Executive Committee Procedure

All buildings, structures or appurtenances thereto, including landscaping, to be erected, constructed, established, altered or enlarged within the property must be reviewed and approved by the Executive Committee as described below in Article XI.

(2) The Executive Committee shall consider and approve or disapprove the materials required to be submitted pursuant to these Covenants, Conditions, Easements and Restrictions.

(3) Prior to change of any building's exterior character by remodeling or alteration, the Owner, or his or her designated agent, shall secure the written approval of the Executive Committee.

## **XII. COVENANT ENFORCEMENT/GENERAL PROVISIONS**

### **A. Penalties**

In addition to the remedies described below in Paragraph B or elsewhere in this Declaration, the Association is hereby authorized to levy against any Lot in violation of this Declaration of Covenants, Conditions, Easements and Restrictions an assessment penalty not to exceed \$100 for each day a violation of this Declaration continues beyond thirty (30) days after notice of a violation has been given by the Association to the Owner of said Lot by certified mail, return receipt requested, or delivered in writing in by personal service. If the Owner of the Lot cannot be located after a diligent search or inquiry, the Association shall publish notice of the violation for two (2) successive weeks in a newspaper of general circulation in Dallas County, Iowa. If the Owner has not fully complied with the terms of this Declaration within thirty (30) days after receiving notice, or thirty (30) days after second publication of notice, the Association shall have the authority to levy an assessment penalty as described herein. This assessment shall be a lien on the Lot and shall have the same status as any other assessment levied by the Association. Any Lot Owner objecting to the notice of violation shall have the right within thirty (30) days of receiving notice to request a hearing before the Association Board of Directors. Assessment of the penalty shall be stayed pending a hearing and final decision by the Association Board of Directors.

### **B. Specific Enforcement of Restrictions**

All Owners of Lot covenant and agree, by acceptance of a deed to such Lot, whether or not it

shall be so expressed in such deed, that monetary damages may not provide adequate compensation for the breach of the restrictions and covenants contained in this Declaration and that this Declaration may be specifically enforced by Declarant, the City, the Board, or an adversely affected Lot Owner.

C. Attorneys Fees

In the event it shall be necessary to secure the services of an attorney to enforce or comply with the provisions of this Declaration, then the fee of such attorney, and all other costs in connection with the enforcement or compliance of this Declaration, shall be the obligation of the Owner of the Lot which is the subject of such enforcement action, unless such Owner is found by a court of competent jurisdiction not to have violated any provision of this Declaration.

D. Covenants Binding and Running with The Land.

Each of the conditions, covenants, easements, indentures, restrictions and reservations contained in this Declaration shall be binding upon and inure to the benefit of Declarant, the Association, and the Owners of each Lot, and their successors and assigns and all parties and persons claiming under any of them, and shall be deemed covenants that run with the land, and shall continue for the applicable periods specified in this Declaration.

It is the intent that, notwithstanding anything in the Code of Iowa to the contrary, all of the conditions, covenants, easements, indentures, restrictions and reservations contained in this Declaration shall be covenants running with the land for the full period specified in this Declaration without further action by either Declarant, the Association, or any Owner of any Lot in Painted Woods South. However, in the event that Section 614.24 of the Code Iowa, as the same may be amended or replaced, may require that a verified claim be filed in the Office of the Recorder for Dallas County, Iowa prior to the twentyfirst anniversary of the date of this Declaration or the twenty-first anniversary of the last filing of such verified claim in order to continue all or some of the covenants of this Declaration, including, but not limited to, any covenant, term, provision or restriction that is or may be considered a use restriction, reversion or right of reverter, in effect throughout the applicable periods specified in this Declaration, then:

(1) the Association, or any or all of the Owners of the Lots, acting jointly or severally, shall file all verified claims necessary to keep all of the conditions, covenants, easements, indentures, restrictions and reservations contained in this Declaration throughout the applicable periods specified in this Declaration;

(2) a verified claim filed by the Association or any Owner of a Lot in Painted Woods South shall be valid and binding upon the Association and all the then Owners of Lots in Painted Woods South, and their successors and assigns, with the same effect as if executed by all such persons, and in order to facilitate filing of any verified claim required to so continue all or any of the conditions, covenants, easements, indentures, restrictions and reservations contained in this Declaration throughout the applicable periods specified in this Declaration in full force and effect, the Association and each Owner of a Lot is hereby irrevocably appointed the attorney-in-fact for all of the other Interested Parties for the purpose of filing any such verified claim.

E. Duration.

Any easements granted in or pursuant to this Declaration, and any other provisions of this Declaration to the extent applicable to such easements, and any other covenants, indentures, restrictions and reservations of this Declaration that are reasonably or necessarily incidental to the benefit or burden of such easement rights, including any rights of assessment or for liens for the payment of costs associated therewith, shall continue in perpetuity, unless sooner modified or terminated as provided in this Declaration.

Except as provided in the preceding paragraphs of this Article, the covenants, conditions, restrictions and easements in this Declaration are to run with the land and shall be binding upon all parties and all persons claiming under them for a period of twenty-one years after the date they are recorded in the County Recorder's Office, unless sooner modified or terminated as provided in paragraph D of this Article.

F. Amendment of This Declaration

This Declaration may be amended in writing by an instrument signed and filed of record in the Office of the Dallas County, Iowa Recorder, by at least fifty-one percent (51%) of the Lot owners, if the Declarant does not own a Lot/Outlot, or is not the sole voting member of the Association. Notwithstanding the foregoing, the Declarant retains the sole right to amend this Declaration for any reason so long as Declarant has an ownership interest in any Lot, or in Outlots U, V, W, X, Y or T, or is the sole voting member of the Association.

G. Severability

In the event any provision of this Declaration is held invalid, illegal, or unenforceable, in whole or in part, the remaining provisions of this Declaration shall not be affected thereby and shall continue to be valid and enforceable and if, for any reason, a court finds that any provision of this Declaration is invalid, illegal or unenforceable as written or applied, but that by limiting such provision it would become valid, legal and enforceable, then such provision shall be deemed to be written or applied and shall be construed and enforced as so limited.

H. Captions

The captions of the articles, sections and any paragraphs, of this Declaration, or the lack thereof, are for convenience only and shall not be considered nor referenced in resolving questions of interpretation and construction of this Declaration.

**ARTICLE XIII. ANNEXATION AND REMOVAL OF LAND**

A. Additional Common Area

Declarant shall have the sole right at any time to convey additional Common Area to the Association or to add additional association responsibility elements. Nothing in this Section, however, shall be deemed to be an obligation on the part of Declarant to convey additional common area to the Association in the future. The Association shall be obligated to accept any additional common area so

conveyed by Declarant and to hold and maintain the additional common areas pursuant to the terms of this Declaration.

B. Additional Land

Declarant shall have the irrevocable right to subject additional land to the terms of this at any time in the future without the consent of the Association. The additional land shall be automatically subject to the applicable terms and conditions of this Declaration and Owners of Lots within the additional land shall automatically become members of the Association in the same manner as described in this Declaration. Declarant shall signify the addition of land by filing an amendment to this Declaration with the Recorder of Dallas County, Iowa. No approval of the Association or any other third party shall be necessary.

C. Removal of Land

Declarant shall have the right now, and in the future, to remove any portion of the property from the operation of this Declaration. Declarant shall signify this removal by filing an amendment to this Declaration with the Recorder of Dallas County, Iowa. No approval of the Association or any other third party shall be necessary.
