

- **Safety Tips for Kids** Don't post any personal information online – like your address, email address or mobile number.
- Think carefully before posting pictures or videos of yourself. Once you've put a picture of yourself online it's not just yours anymore.
- Keep your privacy settings as high as possible.
- Never give out your passwords.
- Don't befriend people you don't know.
- Don't meet up with people you've met online.
- Remember that not everyone online is who they say they are.
- Think carefully about what you say before you post something online.
- Respect other people, even if you don't agree with someone else's views.

#2: Summer Safety

- Take a friend with you whenever you go places or outside to play.
- Know your full name, address, telephone number, and your parent's names.
- If you ever get lost in a public place, talk to a person in charge right away.
- Before taking anything from someone you don't know always check with your parents or a trusted adult.
- Check with your parent or trusted adult before you get into a car with someone you don't know.
- Say no if someone tries to treat you in a way that makes you feel confused or scared, and tell your parents or trusted adult right away.
- Before doing online activities talk to your parent or trusted adult so they can make sure it is safe.

- Use the “buddy,” system when you go swimming and make sure an adult is watching.
- Always cross the street at a corner or crosswalk. Look left and right before crossing.
- Whenever you ride in a car, ride in the back seat and always wear your seatbelt.
